

PANELIST BIOGRAPHY

PETER HARRIS

Best Selling Author
Commercial Real Estate Investing for
Dummies

Peter Harris began investing in real estate in the late 1990s. He has since acquired thousands of multifamily apartment units and other commercial property types, totaling over \$100 million dollars. These purchases have spanned the West coast and the East coast of the U.S. His experience includes, but is not limited to, correcting management/operational issues, major renovations of commercial properties, rehabbing distressed commercial properties, re-positioning commercial properties, raising capital for large syndicated projects, as well as consulting, coaching, and mentoring investors all over the U.S.

- Currently, owns and operates a commercial real estate firm specializing in multi-family investments based in San Francisco, CA,
- Currently, Director of Education and Head Mentor for a commercial real estate advisory firm based in Miami, FL.
- Author of best-selling book, Commercial Real Estate Investing for Dummies.
